8 Riverside Terrace, South Mission Beach

Coastal Dreaming !

- * Elevated block
- * Soil test and house plans
- * Quiet street
- * Rural outlook

On Riverside Terrace, the views from homes are expansive as the street is elevated with rural views down towards the Hull River and glimpses of the ocean and islands possible from a two storey home.

The owners have spent thousands of dollars designing and planning a home for this block but their dreams have taken them elsewhere and they are reluctantly selling.

Time to make this your dream ! See if the house plans are just what you had in mind and save on your build!
