Character filled unfurnished home right in the heart of El Arish ! There's a welcoming patio at the front, which over looks Wilson Street which is a great place to sit and look up at the mountain range behind the township.

Three spacious bedrooms flow off the living area - two with built in robes and the main with air conditioning as well. It's remarkable really how even in this warm weather, the house is relatively cool and captures the breezes. A dining room, where many a family meal has been enjoyed, and the kitchen share a large open area which leads down a set of stairs to the bathroom and laundry. Still under shelter you'll space for an additional dining and seating area.

The owners have taken great pleasure planting a myriad of fruit trees including paw paw, avocado, tropical apple, bush lemons, Valencia oranges, kumquat and passionfruit. The rear yard has a shed and a single lock up garage.
