Cheerful Touch !

- * Fresh and light family home
- * Walk to Mission Beach pool
- * Large block backing onto reserve
- * Double lock up garage

Just a short stroll from Marcs Park and the new Mission Beach pool, you'll love the location of this fully tiled, screened and air conditioned family home. Three good size bedrooms, all with built in robes flow off the hallways and share a two way bathroom - and a convenient second toilet.

The open living area has sliding doors which lead you out to the undercover patio area which overlooks the reserve where the odd cassowary likes to roam. The kitchen has an island bench, dishwasher and servery, lots of cupboard space and there's a separate dining area too.

The laundry has outdoor access and lots of storage space and there is an additional linen press as well.
