3 Coral Close, Mission Beach

Family Ties !

- * Elevated, new home
- * Fully fenced rear garden
- * Separate media room
- * Low maintenance gardens

With views over an ancient coconut grove, this new home captures the cooling sea breezes which flow through to the open plan living area encompassing the kitchen and dining rooms, which is also air conditioned for summer comfort. An undercover outdoor patio overlooks a fully fenced rear garden.

Conveniently, the media room is situated at the front of the home, across from an internal door providing access to the double lock up garage. A hallway separates this area from the living area from which the four bedrooms fan.

All bedrooms are carpeted, with ceiling fans and built in robes. The main bedroom is air conditioned and has an ensuite bathroom. The main bathroom has a bath and is situated alongside the laundry which has access to the backyard.

A lovely family home which has a direct pathway to the beach along the Cassowary Corridor and close enough to walk to Mission Beach Village.
