## 4 Commodore Street, South Mission Beach

### Lovely Home with Rainforest Garden !

- \* High set home with a rainforest backdrop
- \* Polished timber floors
- \* A couple of minutes walk to the beach and local store
- \* Great undercover area

Just one street from the beach, high set to catch the sea breezes in summer, you'll find this immaculately maintained three bedroom home . With polished timber black bean floors and white walls and ceilings, it personifies a beach-side lifestyle.

The modern, light kitchen has an island bench which houses the sink and underneath cupboards and drawers and casual bar stools. Lots of storage and heaps of room to spread out while you're cooking up a storm. And don't despair - there's plenty of space here for your french door fridge/freezer !

The living room is off the main entrance through double glass front doors and flows into the kitchen, which then flows through another pair of french doors to the dining area and out onto a marvellous deck.

And there you have it - beautiful views of your own rainforest garden and grass that would feel at home in a bowling green. And with the garden, a myriad of bird life, butterflies and two local cassowaries !

Back inside, you'll find three good size bedrooms all with built in robes, air conditioning and fans. The bathroom has a walk in shower and there's a separate toilet.
