## 31 Sanctuary Crescent, Wongaling Beach

### Super Stylish !

- \* Modern and fresh design
- \* Fully air conditioned with fans
- \* Fenced
- \* Great outdoor patio

Mission Shores is just a couple of streets from the beach and an easy walk to several restaurants. All the blocks of land in this estate are double size and back onto or overlook a treed reserve.

This modern home has a fresh design and a really good layout. It's placed to make the best of the sea breezes but air conditioned with fans for those warm nights or hot days.

The lounge area spills out onto a tiled outdoor terrace overlooking the back yard - perfect for outdoor dining. The kitchen has plenty of storage areas and bench space and a server window to the terrace.

The main bedroom, ensuite and walk in robe are at the rear of the home with access onto the terrace area. The other two bedrooms both have built in robes and share a bathroom with a spa.

There is a study nook conveniently located down the hall and the laundry has direct access to the clothes line.

It's fully fenced and pets are approved upon application.

A double lock up garage completes the picture of this lovely home.
