With views of the Coral Sea and the beach from the large front patio, living here will feel like you're on a permanent holiday !

The location of this apartment is near perfect - you are about a five minute stroll from Mission Beach Village via a rainforest pathway or the beach and just a minute's drive from Clump Point where Stage 1 of the new safe boating harbour upgrade is due to be completed by the end of this year.

The owners have spent many years with their family here and have lots of fond memories of happy holidays !

The apartment is fully furnished with three really spacious bedrooms all of which have sliding glass doors leading onto a rear patio, which over looks rainforest. There is an ensuite and main bathroom (with a bath !) and an internal laundry.

The kitchen has water and beach views and the open planning living room with a separate dining area and large lounge room lead onto the undercover front patio. The lock up garage downstairs is just off the main walkway entrance to the apartment.

The property is suitable to holiday let or live in permanently. We manage the body corporate requirements for the complex and can provide you with any additional information that you require.
