Set off the main road, through a gate and across your own bridge, you'll find this delightful low set home nestled in it's own landscape gardens with a year round running creek.

With two living areas, it really is a family home where everyone has their own space. Three bedrooms share two bathrooms and there is a separate office as well.

The kitchen is well equipped and has a lovely outlook to the terrace area.

There are several fenced paddocks and a shed for storage, room to grow your own vegetables and enjoy your self sufficiency.
