

**1, 40 Wall Street, South Mission Beach**

### I'm Looking for a Lovely Family !

- \* One street from the beach
- \* Private and quiet
- \* Newly refurbished
- \* Garage with internal access

This fully furnished, three bedroom unit is more like a small home. Recently completed renovations have seen a new kitchen installed, new ceilings and walls and the whole unit repainted. There are huge built- robes in each room and an internal laundry for added convenience.

Overlooking the pool, this apartment is very private and surrounded by an evergreen tropical garden - there's even room for you to cultivate your own vegetable/herb garden. And if you love walking, the beach is just a minute away.

The complex has just six apartments in two separate blocks; this apartment is located in a block of just two.
