Running from Cairns to Cardwell, the Cassowary Coast is one of the undiscovered gems of Queensland, a quiet stretch of coastline bordered by the Wet Tropics Rainforest and the Great Barrier Reef. Mission Beach, (actually four separate villages spread along a 14km stretch of palm-fringed beach), is at its heart. Despite its popularity, Mission Beach has retained a dreamy, laid-back vibe and the welcoming locals are never outnumbered by tourists.

Mission Beach was the birthplace of the Great Barrier Reef Marine Park Authority and is the closest access point for the reef, less than 40km offshore.

Ray White Mission Beach and Tropical Property have been instructed by Barry Kogan, Jonathan Henry, Anthony Connelly and Jamie Harris of McGrathNicol as Receivers and Managers of Mainland Property Group to market properties owned by Mainland Property Group.
