25 Seafarer Street, South Mission Beach

Shed Envy at The Beach !

- * Spacious family home
- * Large fenced yard
- * Four bay shed
- * Just one street from the beach

You don't often see a shed this size in the residential villages of Mission Beach ! It's a beauty - with direct level access through a gate from the street into the fully fenced yard.

Inside you won't be disappointed either. Soaring ceilings create an open living area which is airy and spacious with double glass sliding doors leading onto a patio as well, which runs the length of the home.

Upstairs are three roomy bedrooms sharing a main bathroom. The main bedroom has sliding doors onto the front patio and is air conditioned. All bedrooms have built in robes and fans.

Off the kitchen is a rear patio with steps leading to the back yard. Downstairs a large bedroom / lounge area with another bathroom is a great space for guests or an older child needing a little more privacy. The laundry is off the garage with remote roller doors, and internal access into the home and the rear yard.

Just one street from the beach, you capture the sea breezes and can hear the waves break on the shore.
