Ocean Views and Walk to MB Village !

- * Beachfront - can't beat that
- * Newly refurbished apartment
- * Walk to the Mission Beach Village
- * Tropical gardens and pool

In a perfect location, you'll love the spaciousness, furnished one bedroom apartment with huge undercover terrace overlooking tropical gardens across to the pool.

The kitchen is light and overlooks the gardens - it's recently been updated and has lots of storage space and a dishwasher. Conveniently located off the kitchen is a laundry with room for a tub, washing machine and dryer with further storage space.

The combined lounge / dining room leads you down a hallway to the bathroom and main bedroom, which has a built in robe. There are two entrances into the apartment; one through the glass sliding doors at the front terrace and another through the entrance door at the foyer. The lock up garage is located at the rear of the property and there is room enough for a small shed in the space - there is also access into the apartment directly from the garage.

Stroll across the road to the beach and enjoy the views of Dunk, the Family Islands and Hinchinbrook Island. You can walk down the beach or a rainforest pathway to the Village where you'll find all the conveniences you need - mini market, fruit and vegetable shop, bread shop, post office and several lifestyle retail outlets, restaurants and cafes.

If you need any further information, just give me a call, Susie.
