Inspire Your Imagination !

- * Solid block home
- * Walk to beach in minutes
- * Large level block
- * Walk to shops and restaurants

If you yearn to own your own property, you need to come and have a look through this unassuming two bedroom cottage. Backing onto a pathway which takes you in a few minutes to the white sands of Wongaling Beach, you know you've ticked the location box ! It's also an easy walk to Woolworth's, Mission Beach Tavern and the primary school / day care centre.

A light open living area expands into the sun room overlooking the garden at the front of the home. The kitchen and dining room face the rear of the property with the laundry having access to the back yard.

Down the hall are two really good sized bedrooms with a bathroom and separate toilet. There's a large open carport off to the side of the home and it's fenced on three sides too.

The options are yours to make : to live in now and refurbish at a later date, rent it out until you're ready to move in yourself or holiday let and get the benefit of using it yourself as well !
