"Cassowary Villas" is located on the main road coming into Wongaling Beach and is a short stroll to all the town facilities including Woolworths, chemist, doctor, library, Mission Beach Resort, restaurants and the beach.

Fully tiled throughout, this spacious apartment is freshly renovated and fully furnished. The main bedroom with ensuite has a private patio and built in robe. The second bedroom also has built in robes and is located right next to the bathroom. Both are air conditioned with security screens.

The living area is located at the end of the hall and can be closed off for privacy. It's spacious with a two double sofas and a six seated dining table. The kitchen with dishwasher is more the size you would find in a fully sized home - lots of storage space too ! The timber deck off the living room over looks the rainforest - lovely at any time of the year and very private. You also have your own clothes line and outdoor dining table.

The carport is located at the front of the property - all undercover with your own garden and the shared pool is a welcome addition in the warmer months.
