Mission Beach Shores has been offering self contained beachfront chalet accommodation for a number of years and the time has come for the overseas owners to allow new owners to give the complex a fresh new lease on life !

Currently being operated very successfully for short to medium term holiday accommodation and set amongst lush, tropical gardens on 1420m2, the fully self-contained Balinese-style chalets offer relaxed beachfront stays in a tranquil setting.

Centrally located, these accommodation buildings are connected by shaded pathways that lead to a stunning in-ground lagoon-style pool. There's also a shared laundry chalet on site.

Each chalet is fully self- contained and is equipped with crockery, cutlery & linen and each features a sun patio/moon deck with day bed, pool lounges and private BBQ area, ceiling fans, split-system air conditioning and fully equipped kitchenette.

Currently run with a caretaker onsite living in one of the chalets (which has had a deck and fenced rear yard added, the outdoor area has been enclosed for a comfortable air-conditioned office). Live in one and let out the remaining 3 chalets or easy to manage all 4 villas off-site (Or take advantage of our holiday letting service). Turn it into a small retreat resort
