12 Spinnaker Street, South Mission Beach

Walk 500 Meters to the Beach !

- * Already fenced on 3 sides
- * Level for an easy build
- * 2 streets back from the beach
- * Surrounded by modern homes

With underground power and no estate building covenants, build to your design when the time is right. This level block is just a 500m walk to the beach and the added bonus is that it's already fenced on all 3 sides and your neighbours have all built.

This block does have a power transformer easement on the front eastern side of the block, which has been cleverly screened off so it's not an eye saw from your house block. With some extra planting, you'll forget it's even there!
