12 Sandy Cl, Mission Beach

Just Imagine

- * Walk to the Village
- * Established trees
- * Large and level block
- * Quiet cul-de-sac

Backing onto the Cassowary Corridor, this large 721m2 block in the Oasis Estate is at the end of a cul-de-sac, the street is quiet and the area is family friendly.

To protect and maintain the Cassowary Corridor, which forms part of the estate, a Body Corporate has been established, proudly managed by us. We also look after the common gardens and pathways, lighting and entrance ways. Low fees of less than \$1,000 per annum are not expected to increase. The Body Corporate has given permission for owners to create access directly to this nature reserve from their property.

Oasis is an easy stroll to Marcs Park where you'll find the new Mission Beach Aquatic Centre and it's 25m lap pool, hydro therapy pool and billabong. This is also the main sporting hub for Mission Beach as well as the location of popular Mission Arts.

It's a comfortable stroll to the beach from Oasis, either through the Cassowary Corridor or the main road. Once here, the Village is just a little further north with it's cafes, bars and restaurants.

Great location ; great block !
