5 Holland St, Wongaling Beach

Bright and Breezy on Holland !

- * Just 1 street from the beach
- * Backing onto 70 acre conservation parcel
- * Front and rear patios
- * Brick home fully tiled and screened

Sitting close to the southern end of Holland Street finds you just a couple of hundred meters away from the shores of Wongaling Beach. And, if low maintenance is on your wish list, you can't go past a classic brick home !

On a 607m2 block, the home has been with street appeal, while leaving enough room at the rear for the children's cubby house, trampoline or pool. And inside, it's floor plan is perfect for a small family.

Entering you are welcomed into the home with the living room overlooking the front yard through picture windows, cleverly divided from the kitchen and dining room, which overlook the rear yard. The kitchen has lots of storage space with direct access into the single lock up garage. While the living area is air conditioned, you'll love the sea breeze which flows through the home.

Situated down the hallway, you'll find the main bedroom and ensuite face the front and the other two bedrooms face the side and rear of the home, both sharing a main bathroom with shower recess and bath.

The back yard is private with a very green rear neighbour too, lush green rainforest that is part of a large conservation parcel. Conveniently the laundry has direct access to the rear of the property situated behind the garage.

Marketed exclusively by Susie @ Tropical Property - the perfect family home or investment opportunity.
