Running from Cairns to Cardwell, the Cassowary Coast is one of the undiscovered gems of Queensland, a quiet stretch of coastline bordered by the Wet Tropics Rainforest and the Great Barrier Reef. Mission Beach, (actually four separate villages spread along a 14km* stretch of palm-fringed beach), is at its heart.

Despite it's popularity, Mission Beach has retained a dreamy, laid-back vibe and the welcoming locals are never outnumbered by tourists.

Mission Beach was the birthplace of the Great Barrier Reef Marine Park Authority and is the closest access point for the reef, less than 40km offshore.

Tropical Property and Ray White Mission Beach have been instructed by Barry Kogan, Jonathan Henry, Anthony Connelly and William Harris of McGrathNicol as Receivers and Managers of Mainland Property Group to market properties owned by the Mainland Property Group.
