You'll just love that . . .

- * I'm in a great location
- * I've an in-ground pool
- * I'm maintenance free
- * I'm fully furnished - move in today !

This great little two bedroom unit is in a great location - it's walking distance from the beach, Woolworth's and Mission Beach Resort. It is very neat and clean and is fully furnished - even down to plates and glasses. You just need your clothes and line.

There are two bedrooms with wardrobes and two queen beds. The separate toilet is convenient and compliments the large bathroom. The open plan kitchen also houses the laundry and there's a private clothes line outside the back door, which overlooks a rainforest area.

The unit is towards the rear of the property and on one side has a lovely grassed area. You have your own undercover carport with separate storage area and there's also a large in-ground pool, nicely shaded for the summer months.

Drive, ride, walk - this one is in such a great location any mode of transport works! Call us to inspect anytime!

Please enquire with us as to furnishings as some items have upgraded.
