Priced to Walk Out The Door !

- * Cul-de-sac street
- * Close to beach track access
- * Level, all services available
- * Cheap, Cheap !

The sellers have deliberately priced their block for a quick sale so here's your chance to nab your Mission Beach plot by the beach that you've been contemplating!

Lani Close is a cul-de-sac street and at the rear of this block, is a concrete track where just 50 meters (approximately) down the path is the entrance to the Rainforest walking track. Maintained by the estate, follow a beautiful walk down to the beach which brings you out just north of Conch Street.

The block is level with town water, mains power and sewerage all available for when it's time to build. With an established house already built on 1 side, there's one less side to fence!
