## 9 Sandpiper Cl, Mission Beach

### A Fave Find !

- \* Walk to the beach and Mission Beach Village
- \* Level block
- \* No building covenants
- \* No building time frame

If you are looking for a well priced block of land just a comfortable stroll to the beach and Mission Beach Village, check this one out !

Oasis is truly like it's namesake. Set in landscaped gardens, winding paths lead you to the Cassowary Corridor where you can wander across wetlands on floating footpaths and a rainforest track of approximately a kilometre to the beach. Or, for a shorter route, you can walk via the road to the beach and Village.

We manage the strata requirements of the estate, which incur a annual levy for lot owners of around \$1,400. Never been involved in a Strata arrangement before? Call us and we'll answer any questions you may have.

There are no building covenants or time frames in which to build on the land - the block is level and faces east / west. It has a treed backdrop and is fenced on three sides with established homes either side and across the road.
