

SOLD

4 Commodore Street, South Mission Beach

Rainforest Haven at the Beach !

- * Home in a rainforest setting
- * Polished timber floors
- * Stroll to the beach and local store
- * Great undercover area with large yard

Just one street back from the beach, high set to catch the sea breezes in summer, you'll find this well maintained three bedroom home. With polished timber black bean floors and white walls and ceilings, it personifies a beach-side lifestyle in a rainforest setting - don't be surprised if the local cassowaries wander through the gardens !

The modern, light kitchen has an island bench which houses the sink and underneath cupboards and drawers and casual bar stools. Lots of storage and room to spread out while you're cooking. And don't despair - there's plenty of space here for your french door fridge/freezer too !

The living room is off the main entrance through double glass front doors and flows into the kitchen, which then flows through another pair of french doors to the dining area and out onto a marvellous open deck.

And there you have it - beautiful views of your own rainforest garden and grass that would feel at home in a bowling green. And with the garden, a myriad of bird life, butterflies and cassowaries !

Located privately down the hallway, you'll find three good size bedrooms all with built in robes, air conditioning and fans. The bathroom has a walk in shower and there's a separate toilet.
