6 Jessie Lane, South Mission Beach

Welcome to Your Tropical Oasis !

- * Unique Open Plan Design
- * Side Deck + Large Outdoor Area
- * Established Gardens for Privacy
- * Renovated Bathroom + Kitchen

When a home full of character and charm is more your style, you're going to fall in love with this new listing just a few streets back from South Mission Beach!

It's provided a wonderful family home for the current sellers and will also suit as a holiday home with so much warmth and style.

Such a creative floorplan! With a covered breezeway down the centre, the living areas are to the north and bedrooms to the south. Great natural light and air flow through the entire home with the extensive use of louvers and casement windows.

Featuring 3 large spacious bedrooms, all with wide sliding doors off the breezeway, in addition to the renovated bathroom there's a 2nd toilet off the laundry. The breezeway is the perfect place for a large dining table, there's also a loungeroom and office nook off the kitchen.

The kitchen has also been recently renovated with a brand new oven, there's a large covered deck off this area in addition to the rear entertainment area with custom built BBQ and day bed.

With established trees front and rear (including edibles and fruit trees), don't miss your chance to inspect this tropical Oasis.
