"Mission Heights" is an exclusive elevated development at South Mission Beach. With a gated entrance, only 16 residents enjoy this stunning position with each allotment surrounded by rainforest for privacy.

Lot 2 is the largest block in the estate and faces direct east with a cleared building pad with ocean views to Dunk Island. Fringed by rainforest for privacy, just look at the views your new home is going to have! Slightly elevated for a less challenging build.

For those who crave privacy and ocean views, be sure to inspect by appointment for the tour around this private gates estate above South Mission Beach.
