50 Midshipman Street, South Mission Beach

Fresh Start !

- * Level block for an economical build
- * Modern residential neighbourhood
- * Near end of a cul-de-sac
- * Beach is within walking distance

This level block of land in Midshipman Street is larger than other allotments in the street. Why not put in those house plans and start building?

There are no building covenants, and the cool sea breeze flows through the estate from the beach just a few streets away.
