10 Coral Cl, Mission Beach

Take a Step Closer to Your Dream Build by the Beach !

- * Level block backing onto pathway to the beach!
- * Just under 1km to the beach, 2km to the Village Green
- * No building covenants
- * Fully serviced

The Oasis Estate has its own pathways that wind through rainforest to take you directly to the beach! It's popular with its position to the Mission Beach Village Green and would be the cheapest land available if north Mission Beach is not up for compromise!

10 Coral Close backs onto one of these pathways so you have no residential rear neighbours. The block is level, fully serviced, with an established fenced house on 1 side, and a vacant block on the other.

Frangipanis and paw paw trees have already been planted on the rear boundary while you ponder what you'd build on this affordable block in the Oasis Estate.
