"Mariners" was the creation of Ken Fox Homes, a private gated estate built on a large 5930m2 allotment on Mariner Drive, backing onto a rainforest reserve. In total, there are 9 freestanding properties each with a different floor plan and each having in addition to their own double lock up garage, a third lock up storage area at the front of the estate. This is lock up and leave living at it's best !

Unit 2 is positioned well, backing onto the reserve and one of the few houses that opted to install an inground pool and it's heated so you'll enjoy it all year round!

With a "H" style floor plan, you'll enjoy open plan living with a separate lounge room, lots of white aluminium louvers create wonderful air flow but split system air-conditioning is installed throughout.

The kitchen and dining area have wide dual stacker doors to push back and enjoy the paved pool area - A back drop of rainforest and in complete privacy! There's also a covered outdoor area off the loungeroom enjoying the same view.

There's 3 bedrooms in total all with build in cupboards, there's also a main bathroom and ensuite. The double lock up garage is tiled on the floor and the laundry is located here behind sliding doors.
