With very artistic beach shack which is in need of love

The building is high set with a divided living area. All rooms look up to a skylight in stained glass created by Deanna Conti. The building needs repair but looks to be structurally sound (which should be checked).

Timana Island is as rare as hen's teeth worldwide. It is part of The Family Group of Island which contains – Dunk Island – Bedarra Island and 7 other National Park Islands. "Timana" is the only single title island in this group.

(SPLENDID ISOLATION)

Yet within a short ½ hour boat trip to Wongaling Beach and Mission Beach shops or 2 hour drive to Cairns which has an International Airport.

Its natural beauty is breathtaking and unusual which has drawn many nationally famous artists to this area to stay and paint its beauty or be inspired by the Rainforest and the Great Barrier Reef.
