### Timber, Rainforest and Privacy is Yours!

- \* Just under half an acre, grass mowing included!
- \* Set around rainforest in privacy
- \* Large timber deck with ocean views
- \* And it catches all the breezes!

You will love the look and feel of this one! Fully air-conditioned for summer comfort, screened and lots of louvers. No curtains needed here because you are in complete elevated privacy.

The large timber deck has ocean views and catches all the sea breezes. Open plan living area, 2 bedrooms with the master having built-in cupboards and it's own private outdoor area under sail. Main bathroom with shower only.

Double carport on the lower level plus a carport behind the home where you can drive all the way to your back door. Just under half an acre on an elevated block could be a challenge to mow for some so the seller will take care of that!
