Unfortunate personal circumstances means the new owners of the Mission Beach Travel Centre have placed their dream lifestyle business on the market for sale.

With only a short number of owners over 21 years surviving the biggest financial downturn we have seen, this could be just the opportunity you have been looking for to finally work in your own business!

Part of the Adventure Travel Bugs network, the Travel Centre offers many services from booking local skydives, reef trips, white water rafting and other local tours right through to forward travel bookings to Cairns, Magnetic Island - There are great commissions on offer for the Whitsunday and the Fraser Coast offering very attractive commission rates!

The centre is also an agent for Greyhound and Premier bus services and Qrail, and the location for travelling exposure is ideal right next to the bus stop at the Big Cassowary Shopping Centre.

Perhaps you may want to consider adding international travel/flights and accommodation packages to the services offered with no close local competition?
