Great Buying in Spinnaker !

- * Already fenced on 3 sides
- * Level for an easy build
- * 2 streets back from the beach
- * Surrounded by modern homes

Your neighbour has just finished building their brand new home - Now isn't it your turn?

With underground power and no estate building covenants, build your design and plan to be in your new home this year. Added bonus is the fact that it's already fenced on all sides!

This block does have a power easement on the front of the block, which has been cleverly screened off so it's not an eye saw from your view. With some extra planting, you'll forget it's even there!
