11 Sandy Close, Mission Beach

Just Imagine

- * Walk to the Village
- * Established trees
- * Large and level block
- * Quiet cul-de-sac

Backing onto an historic coconut grove, this large 732m2 block in the Oasis Estate has established trees which will shade your new home. At the end of a cul-de-sac, the street is quiet and the area is family friendly.

To protect and maintain the Cassowary Corridor, which forms part of the estate, a Body Corporate has been established, proudly managed by us. We also look after the common gardens and pathways, lighting and entrance ways. Low fees of less than \$1,000 per annum are not expected to increase.

The block is fenced on three sides with a variety of fruit trees ready for the picking !

Oasis is an easy stroll to the new Mission Beach Aquatic Centre where there's a 25m lap pool, hydro therapy pool and billabong.
