There's only 4 units in total and this is the only ground floor 3 bedroom apartment - You'll love the shared facilities - A huge grassed outdoor area with BBQ and a resort style pool to lounge around over summer.

Be impressed by the gallery style kitchen - Very rare to see this size in an apartment - The living area is open plan and you have a private outdoor patio to enjoy where there are glimpses of the water and a gate you can walk straight out to for beach access. Bring the dog lead because your pet can live here too!
